NEW MASTERCLASSES AT CCP

A rare opportunity to grow your skills with major photographic artists.

CCP is excited to announce the launch of its new Masterclass Program. Renowned practitioners from both artistic and commercial worlds will deliver short courses. Providing intense, in depth and intimate sessions that give a behind-the-scenes view to these artists' practices, masterclasses will also include personal folio reviews.

Participants will be invited to hone in on their particular interests and expand their practices in a supportive, inspiring environment.

Upcoming masterclasses:
Darren Sylvester on Contemporary Art Photography
3 sessions: Sunday 27 April, Sunday 11 May, Sunday 18 May 2014
