MICHAEL CORRIDORE
ANGRY BLACK SNAKE
2004–2007

This selection of photographs form part of a larger series titled *Roadworks*. *Angry Black Snake* presents specific scenarios where crowds have gathered to participate in and watch various leisure activities and spectacles. I photographed people during moments of excitement and enjoyment as they celebrated the events they had come to experience. I wanted, however to portray individuals or small groups of people seemingly out of context with their existing environment and the surrounding events, so that the various scenes appear suspended in a dream like state, whether pleasant or post apocalyptic.
